

First Aid Classes Organized At Stirling

Through efforts of a few local enthusiastic First Aiders especially Glen Adamson, such an interest in First Aid Work was aroused in Stirling during the recent St. John Ambulance National Campaign that a class was organized shortly before the last Christmas with twelve interested people being enrolled for the course.

For over six weeks two lectures were held weekly in the evenings in the Stirling School. During that period a standard St. John Ambulance course in First Aid to the injured was given, John Landysheff Chief

Chemist of the Canadian Sugar Factories of Raymond was the lecturer instructor of the class, while Dr. J. H. Walker of Raymond was the examiner.

All passed the examination successfully which was held at Stirling on February 2nd.

The Examiners report has now been submitted to the Provincial Office of the St. John Ambulance Association at Edmonton, and in due course a certificate of Proficiency will be issued from the central office of the Order of St. John in Ottawa, to each member of the class.

No doubt it is comforting to the people of Stirling and Maybitt to know that there are a number of well qualified first aiders among them now to rely upon in emergency.

The names of these successful first aiders are as follows:

1. Clinton R. Hardy, 3rd year student, examined for Medallion.
2. Glenn T. Adamson, 2nd year, examined for Voucher.
3. Lyman C. Hardy, 2nd year, examined for Voucher.
4. Mrs. Rose C. Adamson, 1st year, examined for certificate.
5. Dale Charles H. Clark, 1st year, examined for certificate.
6. Mrs. Della Hardy, 1st year, examined for certificate.

7. Boyd Hirsche, 1st year, examined for certificate.
8. Mrs. Frances M. Marquardson, 1st year, examined for certificate.
9. Boyd Nelson, 1st year, examined for certificate.
10. Alva Wright, 1st year, examined for certificate.

MASTER CRAFTSMEN take pride in blending Maxwell House Coffee. The superb flavor and fragrance of Maxwell House result from a traditional knowledge and skill in the art of coffee blending.

Mrs. Willis Dies In States

News was received here Thursday of the death in Portland, of Mrs. Mary Willis, Mrs. Willis and her daughter Mabel Neilson have been visitors here many times and will be remembered by many Raymond people. She is a daughter of the late Mr.

and Mrs. Charles Selman and a sister of William Drex and Lee Selman and Mrs. Clara Rolison. Mrs. Rolison and her daughter Edna left Friday for Portland to attend the funeral.

MARSHALL INTRODUCES HIS SUCCESSOR

This photo, made some time ago, seems prophetic in view of the resignation of U.S. Secretary of State George C. Marshall. Sec. Marshall is pointing to Under-Secretary of State Dean Acheson, as if introducing him. In announcing Marshall's resignation, effective Jan. 20, President Truman said that Acheson has been named to succeed him. The under-secretary post will be filled by James E. Webb, now budget director.

'49 Ford

OWNER-APPROVED

help make the new '49 Ford the big car in its field! Front and rear seats designed to give extra-comfortable hip and shoulder room for six big people.

ENGINE

OWNER-APPROVED POWER AND ECONOMY

Already, owners have driven millions of miles in their new '49 Fords. They've proved that the advanced Ford V-8 Engine with Equa-Flo Cooling and new "Deep-Breath" Manifold gives up to 10% more gas economy! And they're enthusiastic about the new, smoother performance and big-car driving "feel" that come from Ford's exclusive "Equa-Poise" Power design!

OWNER-APPROVED "MID SHIP" RIDE

Everywhere you'll hear owners talking about that new, road-hugging Ford "feel"—so sure and steady, even in a cross wind. Now you ride between the wheels in the low-cradled centre section of the new Ford's 59% stronger "Life-guard" Body.

OWNER-APPROVED "HYDRA-COIL" FRONT SPRINGS

Let the wheels "step over" the bumps! And owners marvel at the soft, level rear-seat ride given by the new Ford "Para-Flex" Rear Springs.

FASHION AWARD

The Fashion Academy of New York has chosen the '49 Ford to receive the Fashion Academy Gold Medal after 1949 automobile models of all makes and in all price classes had been carefully studied from the standpoint of excellence in design, simplicity, and feminine style appeal. This recognition stands as a tribute to the work of Ford's Styling Department.

Will you receive

\$76.11

this month?

That's the amount of the average cheque for some 2,250,000 Canadians, when the 1943-44 Refundable Savings are returned this month. Some will get less. Some will get more. But, if you have a refund coming to you, it will be money you have done without... money you've already saved... the easiest kind of money to keep on saving.

It feels good to have a nest-egg in reserve. It means a ready fund you can draw on... in case of emergency or opportunity.

Why not put your refund cheque away in a savings account at the B of M?

FIRE IS HALTED

Quick action by the Raymond Fire department and volunteer firemen quelled a blaze that threatened King Motors Garage here at about 7 p.m. Wednesday evening. It is believed that an explosion in the furnace was the cause of the fire.

The blaze was quickly brought under control with practically no damage to the interior. At the time of the fire there was practically nothing in the garage as they were just starting to bring in the night storage. The Fire engine was on hand but the fire was controlled by extinguishers which are standard equipment on the engine.
